

IAF Air Filters

# IAF Air Cleaner For Isolation Room

Indoor

IAF Air Cleaner for isolation room (negative pressure room)  
Housing stainless steel 304, indoor instalation

IAF Pre filter G4 efficiency

IAF HB Series H13 (Hepa filter 0.3 micron)

UV lamp

Fan : Speed controlable

Vibration free

External rotor motor

Low noise level

220V/50Hz/1Ph

750 Watt

Made in Germany

Dwyer : Magnehelic differential pressure gauge to monitoring  
pre and hepa filter

Air flow : 1000 - 1500 CMH

Dimension : 780 x 608 x 1500mm

Weight : 100 Kg

The unit is installed in the negative room just connect the outlet  
to exhaust the clean air outside, so the room becomes negative

Compact unit

Easy to instal

Easy to operate

Easy to replace the filter

Optional : Dwyer magnehelic to monitor the negative pressure of  
the room

Or Dwyer photohelic with alarm

(Note : we are the official agent of Dwyer)
